

the United Nations Universal Declaration of Human Rights that states: "NO ONE SHALL BE SUBJECTED TO TORTURE OR TO CRUEL, INHUMAN OR DEGRADING TREATMENT OR PUNISHMENT."

It is sad that we have to appeal to the World Court for the safety of our babies when the first maxim of medical care is "Primum non nocere," "First, do no harm." But it is tragic that a medical community refuses to acknowledge the inherent right of every human being to his or her own intact body.

"What's done to children, they will do to society."
Karl Menninger
