SECRECY AGREEMENT

C

1. I, [redacted], understand that I may be the recipient of information and intelligence which concerns the present and future security of the United States and which belongs to the United States. This information and intelligence, together with the methods of collecting and handling it, are classified according to security standards set by the U. S. Government. I have read and understand the provisions of the Act of Congress of 15 June 1917, (Espionage Act) as amended, concerning the disclosure of information relating to the national defense and I am familiar with the penalties provided for the violation thereof.

2. I acknowledge that I do not now, nor shall I ever possess any right, interest, title or claim in or to any of the information or intelligence of the methods of collecting or handling it which has come or shall come to my attention by virtue of my connection with the U. S. Government, but shall always recognize the property right of the United States of America, in and to such matters.

3. I do solemnly swear that I will never divulge, publish or reveal either by word, conduct, or by any other means any classified intelligence or knowledge, except in the performance of my official duties and in accordance with the laws of the United States, unless specifically authorized in writing, in each case, by the U. S. Government.

4. I understand that no change in my relationship with the U. S. Government will relieve me of my obligation under this oath and that the provisions of this oath will remain binding upon me even after the termination of my services with the United States Government.

5. I take this obligation freely, without any mental reservation or purpose of evasion.

In witness whereof I have set my hand and seal this 14 day of April, 1959

C [redacted]

MEMORANDUM FOR: THE RECORD

SUBJECT : MKULTRA, Subproject 101

1. The purpose of Subproject 101 is to provide for payment to Dr. [redacted], for services and consultation related to certain physical studies of biologically active materials. For a number of years Dr. [redacted] has been actively engaged in studies related to the transfer and storage of energy in organic systems, and he has published the results of his work in various scientific journals. It is felt that his assistance will be of considerable value, particularly in connection with various present and proposed projects.

2. Dr [redacted] has been given security approval and has been briefed on applicable security considerations. No specific cover arrangements are required.

3. The estimated cost is $2,000 for a period of one year. Charges should be made against Allottment 0525-1009-4902.

4. No permanent equipment will be acquired. Payment will be made from time to time on the basis of statements submitted by Dr. [redacted] and will involve professional services only.
