Project MKULTRA, Subproject 110

[redacted]

Date Initiated: 15 June 1960

Date Expires: 30 June 1962

Funds-current year: $55,000.00

Purpose: This project provides a source of exotic pathogens and a capability for incorporating them in effective delivery systems. A program of research is supported which developes and checks out practical knowledge on viability, virulence and infectivity of pathogenic material of TSD interest. A production capability and supply of material is maintained in a ready state to meet anticipated requirements. A basic culture collection pertinent to TSD will be maintained.

Status: This is a continuing program. Facility and program is in a ready for service posture on a limited basis. It will reach its projected capability by 1962.
