Dear [redacted] A

Just a note on red tape. I deposited the $16,500 in my research account and wrote a check for the same amount to [redacted] B D I found they had to formally accept it at a Board meeting, so I took back the check. We will have to pay some bills and payroll, so the amount [redacted] B B [redacted] gets will be less this. I expect it to be straightened out in a week.

Regards,

MEMORANDUM FOR : THE RECORD

SUBJECT : MKULTRA, Subproject 140

1. The purpose of this subproject is to provide for the continuation of investigational programs involving utilization of human volunteer subjects and the services of [redacted]

2. This program is designed to exploit clinical, laboratory and institutional facilities as well as professional knowledge in providing answers to specific questions and solutions to specific problems of direct interest to the Agency. This subproject will permit the utilization of the professional services of [redacted] who is located in [redacted]

3. The scope of [redacted] services will include the following:

a. Consultation with TSD on programs of technical interest.

b. Maintain an investigational cover activity for backstopping and use in conducting clinical evaluation and feasability trials of interest to TSD.

c. On request, assist in designing experimental

[redacted]

protocols and conducting, under controlled conditions, pharmacological and clinical tests in human volunteers of specific chemicals, biochemicals, and biologically active materials of direct interest to the Agency.

d. Perform professional services on request.

4. The proposal indicates the nature of the investigational program being used for cover purposes. In addition, pharmacological and clinical investigations of Agency interest will be conducted; these investigations will encompass clinical testing and feasibility testing of drugs affecting human behavior. Other activities will include assessment and feasibility studies on covert marking systems. Seriological and human blood group identification systems will be assessed to determine their feasability.

5. The funds for this project will be transferred directly. [redacted] will be reimbursed for expenses and professional services rendered.

6. The cost of this program for a period of one (1) year beginning 1 April 1963 will not exceed $20,000.00. Charges should be made against Allotment No. 3125-1390-3902.

7. The principal investigator will submit invoices and be reimbursed accordingly.

8. It is not anticipated that any permanent equipment will be

[redacted]

[redacted] [redacted] 140-58

required for the program.

9. It has been agreed that documentation and accounting for travel expenses which are reimbursable shall conform to accepted practices.

10. It is agreed that technical reports reflecting the progress of the activities will be submitted at mutually acceptable intervals.

C 11. [redacted] holds a Top Secret Agency approval. The Project will be unclassified.
