MEMORANDUM FOR THE RECORD

SUBJECT: Summary of Events Related to Reimbursement of Taxes to [redacted]

1. Background. Mr. [redacted] is a self employed [redacted] whose normal income is derived from payment by various individuals and organizations for individual performances. Although not applying to calander year 1953, other characteristic sources of income are from publishers of books, etc., and from individuals to whom he has given instructions in [redacted]. When preparing his Federal Income Tax form, income is customarily listed by individual performances, etc., with the person or organization paying for the performance, the location of the performance, the amount received, and the deductions itemized for that individual performance. It is customary for deductions to be itemized for each performance or each source of funds, rather than for a standard deduction to be taken. As may or may not be characteristic with professional performers, these deductions are often questioned by the Internal Revenue people, and Mr. [redacted] is frequently called on to justify some of his deductions. For this reason, a detailed record book is kept of his income, with a separate page for each performance or other source of income.

2. Mr. [redacted] requested instructions from the undersigned on how he was to report his income from CD/TSS. After several conferences with Mr. [redacted] (Asst. General Counsel for the Agency) and Mr. [redacted] Security Officer for TSS, the following was recommended. Mr. [redacted] should report all funds received from CD/TSS, except for funds for travel expenses, but no attempt should be made to itemize any deductions based on these funds. Income tax should be paid on the entire amount reported. Mr. [redacted] should determine a conservative value for the amount of tax paid in excess of what would have been paid if reasonable deductions were made. The reason for this was the feeling that any questions by the Internal Revenue people concerning the funds paid by CD/TSS would be prompted by questions on deductions made. It was recommended that the excess tax paid by [redacted] be refunded by CD/TSS.

[redacted]

Additional papers:

1. letter to Mr. [redacted] summarizing payments to him during 1953, plus ond payment during 1954.
2. Statement from Mr. [redacted] dated 28 May 54,
3. Memorandum dated 2 July 54 from [redacted] giving opinion of legality of payment.

15-18

February 23, 1954

[redacted]

Dear [redacted]

MEMORANDUM FOR: THE RECORD

SUBJECT : Reimbursement of Excess Federal Income Tax to Mr. [redacted] C

1. Reference is made to the memorandum for the record dated 9 July 1954, subject: Summary of Events Related to Reimbursement of Taxes to [redacted]. Reference is also made to the related opinion of Mr. [redacted] (Assistant General Counsel for the Agency) dated 2 July 1954. These documents, filed in MKULTRA Subproject 15, provide explanation and justification for refund of excess Federal Income Taxes paid by Mr. [redacted] for the calendar year 1953. Since the circumstances are identical for the calendar year 1954, these same justifications are used as a basis for reimbursement of excess taxes paid by Mr. [redacted] for 1954.

2. As a self-employed individual, Mr. [redacted] customarily itemized each source of income and itemizes detailed deductions. For security reasons, he has been requested to claim no deductions on the money paid by the Agency. Thus, taxes are paid on the total amount received from the Agency rather than on the adjusted amount after deductions are made. The loss incurred by Mr. [redacted], hence the amount reimbursed, is estimated by assuming a "standard" deduction of 10% on the amount paid to Mr. [redacted]

Amount paid Mr. [redacted] during 1954	$2370.00
Standard ten percent deduction	$ 237.00
Tax paid on this deduction (at 22%)	$ 52.14

3. Thus $52.14 is considered the loss incurred by Mr. [redacted] and is the amount to be reimbursed.
