CERTIFICATION OF EXPENSES

I [redacted] do certify that the below listed travelling expenses were incurred at the direction and with the approval of the sponsor while performing assigned missions of sole interest to the sponsor. I also acknowledge receipt of the listed reimbursements and certify that I have not been reimbursed by any other activity, organization, or institution, for these expenses. I further certify that the lack of submission of transportation ticket stubs and any other supportive data was due to an unfortunate misunderstanding between myself and the sponsor which resulted in my discarding this documentation.

	1430 Cab: [redacted]	
TOTAL		$ 86.09

In addition to the above, [redacted] suggested that it might be possible for me to receive a reimbursement for certain other incidental expenses I have had over the past several months. Since, for a while, I thought such expenses would be too inconsequential for me even to bother you about, I have kept no records of the exact amounts of the expenses. My estimates of them are about as follows:

Secretarial help in connection with educational program	$10.00
Phone calls	10.00
Telegrams and postage	5.00
	$25.00

Although these last figures lack precision, I believe they are, nevertheless, fair and conservative estimates.

From the frying pan into the fire: the weather in [redacted] is so disgustingly hot and moist and destructive of initiative that, as you can see, even expert typists make mistakes and are too lazy to do any more than xxxxxxxx them out. May all of your air-conditioners enjoy a long and fruitful life.

Sincerely,

[redacted]

MEMORANDUM FOR: [redacted] Logistics Office

SUBJECT : Request for Safe Space

1. It is requested that appropriate safe space be procured for the use of the Chemical Division, TSS from approximately 0800 to 1700, 7 July 1954. It will be necessary to have a suite of rooms including sitting room and bath. This suite should be located in downtown, [redacted] as convenient to public transportation as possible, and it is desirable that it be air-conditioned.

2. This suite will be utilized for a meeting between members of the TSS/Chemical Division and certain cleared contractors who are not aware of CIA interest in them. Discussions in this suite will be classified; therefore the walls should be thick enough to prevent eavesdropping in case of extra loud conversation.

3. It is requested that the suite be procured and paid for through your office. Any expenses incurred in processing this request will be charged to project MKULTRA and will be paid in cash to your office.

Dear Sir:

From 15 April 1954 to 16 April 1954, rooms 169, 171, and 173 were occupied by me. I refer you to yur letter to me of 12 March 1954 as confirming the reservation. During the course of the evening of 15 April ten (10) dinners at $4.00 each were served and eaten in the suite.

Upon my checking out of the hotel on 16 April, it was discovered that the waiter's bill for the meals eaten the night before had not been included in the total bill. Because the waiter could not be contacted at the time of checking out, I paid a totalof $40.00 in cash, which was to be considered as a credit and to be applied to the total bill. I was told by the cashier that when the waiter's bill had been included in the totalbill , and charged against the accumulated credits, a corrected receipt would be prepared and sent to me.

Since my own accounts must be balanced, I ask that if such a receipt hs been prepared and is available, that you send it to me at the address above.

Thanking you, I remain,

Yours very truly,

MEMORANDUM FOR THE RECORD

SUBJECT: Project MKULTRA, Subproject 24

1. It is of value to CD/TSS to have, at irregular intervals, meetings during which CD/TSS contacts can discuss projects in the sensitive field for which Project MKULTRA was approved. These contacts are specialists in their own particular fields, and the meetings provide an opportunity to exchange ideas and they stimulate suggestions of new lines of approach to problems in the MKULTRA field.

2. Bringing several individuals together at a common meeting point usually involves travel expenses, and the meeting itself often involves expenses for a secure meeting site, etc. The services of specialists often require consulting fees. The purpose of Subproject 24 is to provide a means to cover the necessary expenses of such meetings.

3. It is contemplated that certain individuals attending these meetings might be unwitting of government or Agency interest, might be uncleared, or might desire no written association as a condition for their participation.

4. This subproject will be limited to situations which can not be handled by one of the other established MKULTRA subprojects, and it will not be used to cover the expenses of Agency employees or regular consultants.

5. The total cost of this project is estimated at $2,900.00 for a period of one year.
