In checking over my records at the end of the year I find that I am lacking one receipt which will complete those records and bring them up to date.

You will, I'm sure, recall the circumstances during your visit last August in which your travel check did not arrive before your departure from [redacted] and shortly after your arrival here I obtained and gave you $200.00 cash. Enclosed is a duplicate receipt. Would you kindly sign and return it as soon as possible that the record may be complete.

The money for salary of your additional assistant is in process of transmission. It is being sent to you as a lump sum for apportionment per your agreement with her.

MEMORANDUM FOR THE RECORD

SUBJECT: Increase in the Scope of Subproject 29, Project MKULTRA

1. Due to an increase in the scope of work undertaken by [redacted] at the direction of TSS/CD under Subproject 29, Project MKULTRA, the $17,388.80 sum originally obligated for the purpose is insufficient to cover the year's costs. It is therefore proposed to add $1,300.00 to that amount already obligated under this Subproject.

2. The total cost of this Subproject for the period 1 June 1954 through 31 May 1955 will thus amount to $18,688.80.

3. The increase of scope consists of the acquiring of extensive psychological profiles of all subjects in an effort to develop significant keys to hypnotic susceptibility which may be adaptable to field use.
