MEMORANDUM FOR: THE RECORD

SUBJECT: Definition of a Task under MKULTRA Subproject 34

1. Subproject 34 was set up to support activities of Mr. [redacted] in the general area of the application of the magician's art to covert activities. In addition to various services specifically enumerated, the original Memorandum for the Record states Subproject 34 will involve "such other travel and services as may be desired from Mr [redacted] at various times".

2. Among the "other services" it is desired that Mr. [redacted] prepare a paper on the application of the magician's art to the covert communications of information. This would involve the application of techniques and principles employed by magicians, "mind readers", etc., to communicate information, and the development of new techniques. It is contemplated the above would provide a contribution to the general efforts in the area of non-electrical means of communications. Mr [redacted] has agreed to undertake this task. The general ideas suggested by Mr. [redacted] in preliminary discussions have been discussed with Chief, TSS/R&D, and Mr [redacted] who have recommended further development of those ideas.

3. The initial Memorandum for the Record for Subproject 34 stated the payment for Mr. [redacted] services will be at a rate of $150.00 per work week. This is hereby changed to $200.00 per work week.
