MEMORANDUM FOR: THE RECORD

SUBJECT: MKULTRA, Subproject 58

C Project:

1. The purpose of this project is to furnish funds for the partial support of an expedition headed by Mr. to the for the purpose of studying and collecting hallucinogenic species of mushrooms of interest to TSS/CD. The expedition will take place in June and July of 1956 and will be accompanied by a cleared TSS contractor. Other support for this project is derived from the Mr. and his associates, the , and others.

2. Mr. is uncleared and unwitting of U.S. Government interest in his project. He was approached under the cover of the and has applied to that organization for a grant-in-aid. He appears to be a person capable of considerable responsibility as indicated by his handling of three previous expeditions of this type and his position as a vice president of Mr. has agreed in writing to furnish a summary accounting of his expenditures and to return any unused funds to the

3. Because of the unwitting status of the chief investigator in this project no documentation or further financial controls besides the summary accounting will be asked of Mr Any technical reports of the operation will be furnished by Dr.

4. The total cost of the grant to Mr will not exceed $2,000.00 for a period of one year beginning 1 April 1956. To this must be added the four percent service charge due the thus the total cost of the project will not exceed $2,080.00. Charges should be made against Allotment No. 6-2502-10-001.

5. In view of the fact that the principal investigator (Mr is unwitting of government interest, the requirements for a Memorandum of Agreement will waived.

It should [illegible] to [illegible] that the expenses involved [illegible] child [illegible] the [illegible] have [illegible] the medical [illegible] of this research [illegible] the [illegible] the liberty of [illegible] you by this letter for a grant-in-aid of $2,000 for the purpose of gathering the specimens in the field, identification thereof, their conservation either in liquor or in the dry state, and their [illegible]

last conversations with him and Dr. [redacted] of the [redacted] concerning certain pioneering inquiries that we are making into hallucinatory fungi used by some of the more remote [redacted] in association with their indigenous religious practices.

I am planning a fourth expedition to the mountains in the [redacted] for July. I should like to hope that the expenses involved in this expedition would be borne by [redacted] in the medical aspects of this research. With this in mind, I take the liberty of applying to you by this letter for a grant-in-aid of $2,000 for the purpose of gathering the specimens in the field, identification thereof, their conservation either in liquor or in the dry state, and their conveyance to [redacted].

For your further information, Professor [redacted] leading mycologist and Director of the [redacted] has committed himself to accompany us on this trip. His great experience in mycology generally and in tropical mycology in particular will be of very great value to us. In order that we may plan accordingly, I should hope that your decision on this matter could be communicated to me before too long. I am leaving for a trip to [redacted] at the end of March to be gone for two months, and before my departure for [redacted] I should like to settle on all details concerning the equipment we shall take and the personnel of our expedition.

I remain,

Respectfully yours,
