MEMORANDUM FOR : Chief, TSD/BB

SUBJECT : Delinquent Accounting MKULTRA-87

1. The records of TSD/B&F indicate that a final accounting is now past due from MKULTRA-87. The last accounting received from MKULTRA-87 was for the period 9/1/63-8/31/64. It is requested that your office obtain the past due accounting and forward same to TSD/B&F for processing.

2. In reviewing the MKULTRA-87 file of past accountings we find a difference of $18.20. Subject reports a balance of $740.48 as of 8/31/64 whereas the correct balance should be $758.68. The accounting for the period ending 8/31/62 reflects a balance of $18.20 which was not carried forward to the next grant year. This oversight should be brought to the attention of the grantee.

Dear Mr [redacted]

I am enclosing two copies of the final statement for the period September 1, 1960 to August 31, 1961. I understand that our Treasurer's office has already sent the others that you requested. I am sorry that these have taken so long. The difficulty was that the responsible person was away on vacation. I hope that the delay has not seriously inconvenienced you.

The Treasurer's office tells me that the 1958 and 1959 statements were mailed to [redacted] but through some slip the 1960 and 1961 were not. I do not understand how such an oversight came about and I am trying to run down the difficulty now.

Sincerely yours,

Dear Sir:

Mr. [redacted] has handed me your letter of September 16th re the renewal of the fellowship grant under the direction of Doctor [redacted] On behalf of the University I want to thank you and your associates for this important award.

The reason you have not yet received the annual accounting summary for the 1958-59 grant is that the term of the award does not end until December 31, 1959. However, Doctor [redacted] has advised me that the full amount has been expended and Mr. [redacted]s office will send you promptly the requested financial report. For reasons which I am sure you will understand our files are arranged to bring the need for such reports to our attention on the terminal dates of the grants.

Doctor [redacted] has asked me to convey his appreciation for this renewal. He plans to submit a final report in mid-October on the research aspects of the 1958-59 grant.

Sincerely,

[redacted]
