Office Memorandum • UNITED STATES GOVERNMENT S

: Assistant Director, Scientific Intelligence DATE: 15 July 1952

OM : [redacted]

BJECT: CIA Control Number [redacted]

In a discussion with [redacted] it has been agreed that:

1. OTS does not want to undertake the program as outlined. It lacks manpower, for one thing.

2. OTS will perform certain research in this field, along with other investigations and will make pertinent information available to [redacted] when and if definite useful results are obtained.

3. OTS will not undertake operations on its own, but will stick to Lab Scale work.
