A/C, Z. 64, 22

MEMORANDUM FOR THE FILE

4 April 1952

B+C SUBJECT: Current Interest in [redacted] Project at [redacted]

A 1. At 2:00 p.m. on 13 March 1952, [redacted] OSI, and
B+C I contacted [redacted]

B+C 2. It was pointed out that CIA was not currently interested in actively participating in [redacted] project at [redacted] but that copies of his progress reports would be appreciated.

E 3. [redacted] was amenable to this request and he indicated that
D would be requested to shift his directed interests to problems more specifically of value to the CIA, insofar as the "ARTICHOKE" Program is concerned, is in
C no way financially obligated to the [redacted] for past, present or future services rendered by [redacted] until such time when additional research is instigated at our request.
