1. Should the personnel briefed on Bluebird be increased to include the Division Chiefs of OSO? The possibilities might not be realized if those with knowledge of it were too limited in number.

3. At the same time a re-issue of Mr. [redacted] memo describing Bluebird security might be desirable.

4. Does the current list represent a practical set of briefing classifications? Possible alternative

5. Mr. [redacted] should keep notes which can be used as the agenda at the next meeting.
