24 October 1950

MEMORANDUM FOR: MR. [redacted]

SUBJECT: [redacted], U. S. Navy Medical Corps (retired)

(b)(3)

1. An uncle of mine, now retired, who was Deputy Surgeon General for the Navy during the war has recommended most highly [redacted] as a man for the program in which you are interested. He was one of the top men in psychiatry in the Navy and at one time commanded a Navy medical hospital for psychiatric patients. His age is fifty-nine, and he is now living in Arlington. I will give you further facts when I see you.
