FROM [redacted]

SUBJECT: Artichoke

[redacted] Attached are two files - one from O/SD, the other from Ops Staff - in which I have marked key papers re Artichoke. One vital document is not here apparently, the one which transferred overall responsibility from O/SI to DTSO. This was a Staff Study to DCI dated 29 August 1952, which I prepared and ran through the various pertinent offices.

In O/SI, only Chief, [redacted] 3 of this team and I are cleared for this project.
