CONVERSATION WITH GIBBONS:

1. Lovell has not heard anything from Gibbons.

2. Lovell reported that Quarles and George Mueck were about to kill the Schwab activity at Detrick as "un-American". Is it necessary to take action at a high place?

3. Lovell knew of Frank R. Olson. No inhibitions. Baring of inner man. Suicidal tendencies. Offensive usefulness? HMC told Chef Edwards Saturday AM, the 12th.

Conv. is Dec. in Hmc's office.
No action on Hmc's part unless requested
