MEMORANDUM FOR RECORD

SUBJECT: Artichoke [Plastic] Project Name

1. [redacted] called me yesterday to say that a [redacted] completed his work and is now preparing his final report. [redacted] said that as soon as this report is received, he will go over it and prepare "simple findings" to report to us. [redacted] indicated that [redacted] may be somewhat slow in completing the report and suggested that we might bring some pressure to bear to accelerate his efforts.

2. [redacted] acknowledged receipt of my check and said that the sum was sufficient to purchase the materials from which they manufactured the heavy water needed.
