Project Artichoke

1. In accordance with my telephone conversation of yesterday, following are the names of the two members of Medicine Division which we should like to clear into Project Artichoke in order that they may give substantive support to [redacted] and [redacted] on the foreign intelligence coverage for which the Division is responsible.

a. [redacted] (Forensic Medicine)

b. [redacted] (Drugs)

2. On receipt of your approval, I will brief them myself on the Project.
