[redacted]

Enclosed for Dr. [redacted]

1. Attached are all copies of the contract for Dr. [redacted] which should be forwarded to him through your Office to the [redacted] C/O Office.

2. Before Dr. [redacted] signs these copies the following should be brought to his attention:

(a) Dr. [redacted] should obtain legal advice before experimenting with the drug on convicts incarcerated at the [redacted] State Penitentiary. This is a precautionary measure to cover Dr. [redacted] in case of any repercussions.

(b) The report which Dr. [redacted] is to prepare for the Medicine Division, Scientific Intelligence, should answer the following questions. Does this drug cause:

Loss of speech in man

Loss of sensitivity to pain

Loss of memory

Loss of will power

Increase in toxicity in persons with a weak type of central nervous system

"Flash" action, contrary to effects on animals as recorded in conclusions of reports of Project studies.

3. Dr. [redacted] is to sign all copies of the contract but is not entitled to [redacted] and is expressly prohibited from doing so. It should be explained that a copy will be retained in the [redacted] C/O Office and should be made available to him any time upon request.
