Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief/SRS

DATE: 14 October 1957

385

FROM : [redacted]

SUBJECT: Artichoke Materials and Apparatus -- Transfer of

Authorization is requested for transfer of Artichoke materials and apparatus held by the writer to [redacted] for his permanent retention or destruction as determined by his professional opinion.

In view of present working agreements between SRS/OS and the Medical Division, requirements for any future Artichoke cases can be obtained through Dr. [redacted] as required, hence storage of materials and apparatus in SRS is unnecessary and hazardous.

Attached is an itemized list of Artichoke materials and apparatus now held by the writer.

[redacted]

ok to transfr.
