CLASSIFICATION

TO : Chief, [redacted] B/3 DATE: 19 July 1949

FROM : Chief, [redacted]

SUBJECT: GENERAL. Operational
SPECIFIC. Interrogation Techniques

REFERENCE: [redacted] B/3

There is no harm in [redacted] A discussing interrogation techniques in general with subjects, so long as they do not become familiar with the details of any of our own operations. I myself discussed [redacted] with B/3 them briefly, and described a couple of uses of it outside our own interests - e.g. the Case of the [redacted] B/3.
