Discussion Concerning [redacted] A

REFERENCES: a. [redacted] B/3
b.

G 1. Reference a was written before [redacted] learned of the [redacted] B/3
Project and seemed the best arrangement for handling the proposed
F ARTICHOKE experiments at [redacted] affording, particularly, a desir-
A able close working relationship between [redacted] and
G [redacted] personnel. Paragraphs 2 b and 2 d carried out the intent
of the ARTICHOKE charter for control of this sensitive operation.

B/3 2. It is recognized that with the advent of [redacted] Project
the situation may require some change especially with respect to
the review of the results of experiments.

3. Until the relationship of ARTICHOKE with [redacted] is clarified,
however, the provisions of paragraph 2 of reference a should remain
in effect as stated.
