A/B, 5, 254/2

Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Technical Branch DATE: 27 March 1953

FROM : [redacted] A

SUBJECT: [redacted] C

H-B/6

1. On 21 March 1953 [redacted] commented on the [redacted] investigation at which he and [redacted] (on different days) had testified. C

2. On my question as to his opinion of [redacted] he stated that he had been very favorably impressed both by [redacted] ideas and by their method of presentation. C

3. He had reached this conclusion from press reports of the case, from his own reading of [redacted] contributions on the psychiatry of panic states; had not actually heard his testimony.

4. Since [redacted] has lately returned from a trip to [redacted] the writer will seek an occasion to contact him re other matters of possible psychiatric interest. C
