6 January 1954

MEMORANDUM FOR: DIRECTOR, CENTRAL INTELLIGENCE

VIA : Deputy Director (Plans)

SUBJECT : Investigation of Sensitive Material produced by th[redacted]

REFERENCE : TS Memo No. [redacted] from Chief, DD/P [redacted] for DCI, dated 27 November 1953, subject: Purchase of Sensitive Material from the [redacted]

1. Attached herewith is a report of the trip to [redacted] taken by [redacted] nd [redacted] o[redacted] between 7 and 18 December 1953. In brief, the report states that

(a) The report that the [redacted] held a stock of 10 kilograms of the material is denied by company officials.

(b) They state that to date they have produced approximately 40 grams of this material in all, and that of the last batch of 20 grams, 10 were shipped to the U. S. and 10 remain in stock.

(c) Small amounts of the material are being supplied in solution to one psychiatrist in [redacted] No other deliveries are being made to countries behind the Iron Curtain, and [redacted] does not believe the material is being, or could be, produced behind the Iron Curtain today.

(d) [redacted] will continue to maintain a small stock for free distribution to qualified users. This will allow [redacted] to follow all experimental work and will discourage new producers.

(e) The [redacted] will keep the [redacted]
