Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Security Research Staff

DATE: 21 April 1953

FROM : Chief, Technical Branch

SUBJECT: Attached

A/B, II, 40, 2

1. Attached herewith is the formal report of our contacts with [redacted] C
You are familiar with the details and if you wish to send the report back, I will include it in our files.

2. On Friday, 17 April 1953 at 2:00 PM, [redacted] and I had a very long and interesting interview with [redacted] a specialist in heart drug research at the [redacted] C
[redacted] is a bright and able scientist and it is my belief he will be the means whereby we open up the facilities and the personnel of the [redacted]
He has already given us two very important new discoveries and has promised to clear the way to talking with several of their top scientists as soon as we can get them cleared.

3. [redacted] is a very young man and has a brother, [redacted] C
working with this Agency. I believe he will be very valuable.

[redacted] A
