1. It has been called to my attention recently that [redacted] is being considered for some type of work on the [redacted] in the Contact Division. [redacted]'s background, training and his experiences, particularly in certain technical matters while employed with the [redacted] in the [redacted] areas are of considerable interest to this office.

H-B/3

2. It would therefore be greatly appreciated if you would inform this office when [redacted] enters on duty with the Contact Division so that any necessary arrangements can be made to permit us either to interview [redacted] if one of our Staff is on the [redacted] or to forward to him through the Contact Division a series of technical questions for his study and answering.
