AB-1 67/1

Chief, Security Research Staff 12 May 1953

Chief, Technical Branch

[redacted] C

1. Approximately one week ago, [redacted] informed [redacted] A [redacted] C [redacted] B [redacted] C [redacted] in the course of the conversation, [redacted] referred to [redacted] as an outstanding specialist in the study of disorders which affect the human mind. In addition, [redacted] stated [redacted] was a reliable patriotic, intelligent American citizen and a brilliant researcher who, if called upon, would assist the Government in any way that he could.

C 2. In view of [redacted] specialty which fits the ARTICHOKE work perfectly and in view of the high endorsement of [redacted] by [redacted] who holds Top Secret clearance from [redacted] and from practically all Government agencies, the writer believes this Office should take the necessary arrangements to interview [redacted] in the immediate future.

C 3. It is, therefore, respectfully requested that your Office secure authorization for secret contact clearance with [redacted] at the highest possible priority basis.

4. Attached herewith is a brief statement of [redacted] C background as forwarded to the writer by [redacted] A
