[redacted] A/B, II, 8, 6

28 - 29 December 1951

ARTICHOKE LOG

28 December 1951

1. [redacted] met with [redacted] to discuss [redacted] project (see memos to file). A

2. [redacted] met with [redacted] CIA, Medical Support Staff to discuss the role of that Staff in Artichoke (see memo to file) C

3. [redacted] advised that meeting between [redacted] and possibly [redacted] scheduled for 11 or 12 January 1952. Exact time to be established later.

4. [redacted] provided [redacted] with basic information on antagonists to alcohol prepared by [redacted] and [redacted] Report indicated substances available now and lines of research necessary for effective materials. [redacted] to discuss with [redacted] and advise if further action necessary. [redacted] suggested that if [redacted] is sufficiently anxious for further action, research projects might be set up at [redacted] perhaps without cost to Agency. A C

29 December 1951

1. [redacted] met with representatives of OO/C - Richmond Office. Agreed to meeting between [redacted] and [redacted] in [redacted] on 5 January at 10:00 a.m. Subject to confirmation by OO/C Richmond who will check with [redacted] and advise. A C

2. [redacted] called to advise that [redacted] who has been requested by [redacted] for Artichoke Panel is cleared through SECRET as consultant for [redacted] has checked his record and there is nothing derogatory about [redacted] himself which would prevent TOP SECRET clearance. However, there is considerable on his wife including association with subversive elements which creates a problem. C
