MEMORANDUM FOR FILE

SUBJECT: Conversations between [redacted] and [redacted], A H-B/6
and [redacted] B/3

B/6 B/3 1. In accordance with arrangements with [redacted] of [redacted] approved security-wise by [redacted] met [redacted] and [redacted] at 2:00 p.m. this date. The purpose of the meeting was to brief [redacted] on the defensive aspects of Project Artichoke and to enlist his support in maintaining full coordination with [redacted] the Project.

B/6 B/3 2. It was agreed that [redacted] would be alert to Project Artichoke possibilities arising in his Committee and would review the research now going on in the [redacted] to determine that applicable to the Project. [redacted] will also be of assistance should we wish to use his services in setting up a program to determine the technical feasibility of certain aspects of Project Artichoke. He agreed that such research could be covered by rather plausible subject descriptions which would not attract undue attention.
