STANDARD FORM NO. 64

Office Memorandum • UNITED STATES GOVERNMENT

TO : [redacted] SI

FROM : [redacted] SI

DATE: 20 November 1951

SUBJECT: Liaison with Project Artichoke

1. At an [redacted] executive session in April, 1951, the [redacted] of [redacted]s were briefed on Project Artichoke and were asked to designate liaison officers for this project. As a result the individuals listed below were designated for this duty by their respective chiefs:

a. [redacted]

b. [redacted]

c. [redacted]

2. Subsequently contact was established with the [redacted] and [redacted], was established as the official liaison designee for that office. Through [redacted] was activated for liaison.

3. Authorization for contact with each of the above named individuals has been cleared directly with I&SO. The individuals have been briefed on a "need to know" basis and all matters arising with the [redacted] are carried out through these individuals. They have been advised that in some cases "Artichoke" matters will parallel other liaison activities of OSI and CIA. They will exercise caution within the [redacted] to insure channeling of all Artichoke matters directly to [redacted] and/or [redacted] who are the only ones fully briefed on the subject in OSI.
