A Case - [redacted] : F

A [redacted] called

A of 920 DM, stated [redacted] had received

F cable from [redacted] re (A) and [redacted]

says they can't wait til after first of year.

[redacted] said [redacted] was going to inform

us, but had not as of this AM. [redacted] wanted

to know if [redacted] cable used and his

chances for (A) on his case. I informed him

A that it could not but decision depended upon

their willingness to finance trips for Team plus

50 around. I told him I would talk to [redacted]

& get informal reading but we needed [redacted]

cable. [redacted] asked about cost & length of

time involved. I told him 2 RT tickets to area

plus $50 per day for per plus his expenses or

per diem — time 3 or 4 days only for one case.

Informed [redacted] and he agrees OK but need

[redacted] cable.
