PUBLIC HEALTH SERVICE

24 October 1962

National Institute of Mental Health
Addiction Research Center
U.S. Public Health Service Hospital
Lexington, Kentucky

(b)(3)

I am enclosing thermofax of a memorandum from the National Institute of Mental Health informing me of the change in our financial status, as discussed in our telephone conversation on Tuesday, October 22nd. Only the first paragraph is pertinent and I will await your instructions concerning it.

I will also look forward to having you in Lexington sometime after October 30th.

Sincerely yours,

Harris
