I have heard from Dr. Nathan B. Eddy that the Committee on Drug Addiction and Narcotics will be meeting in Washington on 10-11 January 1959. I will arrive in Washington on the night of January 9th, and will attend the meeting on the 10th and 11th.

I expect to remain in Washington through January 12th or 13th, and could come to see you on either of these days if you are going to be in Washington.

This makes the dates of 5-8 January 1959 available for your projected visit here, or at anytime convenient to you after January 13th. I am looking forward to seeing you.

Very sincerely,

Harris Isbell
