Harris Isbell, M. D.
Addiction Research Center
USPHS Hospital, P. O. Box 2000
Lexington, Kentucky

Dear Dr. Isbell:

It was a great convenience to me that you were able to stop over in Washington. I hope that the rest of your visit here went well and that you had a pleasant trip home.

I am enclosing the data sheets that you left here. I would appreciate copies of any other that may become available to you.

The news that you will not be able to go to Europe this fall is a disappointment to us of course, but we trust you will have a like opportunity at some future time.

Sincerely yours,

(W(3)
