Office Memorandum · UNITED STATES GOVERNMENT

TO : File

DATE: 27 July 1953

A FROM : [redacted]

SUBJECT: Sidetone Delay - Attached

A B & C 1. On the morning of Friday, 24 July 1953, [redacted] and the writer visited the offices of [redacted] and took delivery on the Sidetone Delay device and related parts in accorance with pre-arranged agreement.

2. For matter of record, there were no papers, specifications or photographs connected with the Sidetone Delay device and an examination of all the crating boxes, etc. failed to disclose any such papers.

B & C 3. The only paper obtained from [redacted] was a copy of an [redacted] shipment order [redacted] file [redacted] which merely described the item as: '1 - Side-Tone Delay'. The writer signed one copy of this document for the [redacted] files and kept a copy which is attached. The writer and his associates then moved the Sidetone Delay device immediately to the Technical Branch laboratory.
