TO: CIA Records Coordinator

FROM: Chief, Contact Division, OO

SUBJECT: OO/C Case [redacted] - Progress Report on [redacted]

1. Since our last report, there has been no noticeable change in subject's activity. He continues to behave in a normal fashion, he eats well and rests often. He is constantly prodded to get to work on requirements. His reaction follows the same pattern; he agrees to return, after a few minutes, he requests time to think the [redacted] questions over, then adjourns to his bedroom. He is routed out after a short time, and, within a short time, he repeats the same process.

2. On 4 May 1958, subject was again queried about his future plans. He remained adament in his desire to return to [redacted] control, preferably through [redacted]

3. On 6 May 1958, representatives from [redacted] and Contact Division departed for the [redacted] to continue to debrief subject. Arrangements are also being worked up to have subject undergo another technical interrogation. It is anticipated this will be conducted 9-10 May, or during the early part of the following week.

4. Any further inquiries pertaining to this memorandum should be directed to Mr. [redacted] on Extension [redacted]
