SUBJECT: [redacted]

DATE:

A/E

1. Reference is made to your informal memoran[dum] [redacted] comments relative the possible use of [redacted] nection with the Artichoke program.

2. As you of course know, [redacted] and has just completed tea[m] [redacted] In this connection, I a[m] [redacted] who completed the course, that [redacted] telligent, a good lecturer, apparently well backgro[und] of polygraph and both psychological and police inte[r]- [redacted] is also of the impression that [redacted] the use of some Artichoke interrogation methods.

3. For your information, [redacted] who was [a] at present the [redacted] He also teaches [at] [redacted] and is very active in that community in [civic] and in civic associations. The investigation on [redacted] tirely clear.

4. In view of the fact that [redacted] empl[oyed] activities would undoubtedly consume a large propo[rtion] it is seriously doubted if he could be prevailed u[pon] himself with the Artichoke program as a full-time [basis] ever [redacted] informs me that he believes [redacted] in the near future and again instruct in th[e] [redacted] If that is so, the writer requests that [he] to interview [redacted] in regard to the Artichoke from him operating information, names of individu[als] recommend in this connection, and any other advic[e] offer at this time. The writer, and his associat[es] lieve that [redacted] may have very valuable infor[ma]- choke lines and authority to cut [redacted] fully program appears entirely worthwhile.
