Subject: SI and H experimentation, 30 October 1951

On Tuesday, 30 October 1951, SI and H experiments were carried on in Building 13, Room 20, with [redacted] present.

A

Since the films had been developed, most of the evening's session was consumed in showing the film to [redacted] and discussing future use of cameras (including a new camera) for training film.

No complex experiments were run in this session, but after the films had been shown, several simple post hypnotics were completed.
