Subject: SI and H Experimentation, 2 April 1952

On Wednesday, 2 April 1952, SI and H experiments were carried on in Building 13, Room 20, with Mr. [redacted] and [redacted] by [redacted].

The major portion of the night's work was devoted to a refilming of subject matter that had been destroyed as mentioned above.

Some additional experimentation was carried out in simple ESP experimentation since additional camera work could not be carried on without new lighting equipment which had not been received.
