SUBJECT: SI and H Experimentation, 13 October 1953

On Tuesday, 13 October 1953, SI and H experimentation took place in Room 20, Building 13. The subjects were [redacted] and Messrs. [redacted] were present.

A

[redacted] started the session by working with [redacted] individually. [redacted] worked with [redacted] and [redacted] worked with [redacted]

This evening's session was mainly to determine the suggestibility of [redacted] due to the fact that she is very photogenic and is a possible candidate for the film on the H work.

After a brief discussion with the subjects, the work was concluded until Wednesday, 14 October 1953.
