CORRESPONDENCE

WRITE TO THE BUREAU

Media inquiries, research proposals, collaboration, or questions about the dataset.

Name *

Your name

Email address *

you@example.com

This letter concerns *

A research proposal

Your message *

We are replicating the sensation-metric battery in a Nordic sample and would like to compare instruments...

QUESTION ABOUT THE DATA?

The research assistant is trained on the complete dataset and methodology — most questions answer instantly.

ASK THE ASSISTANT >

WHERE YOU HEARD OF US

Optional, and it moved out of the letter's way.

Choose, if you like

☐ Your letter and address go to the Bureau alone — reviewed, answered, never shared or published without your consent. [The privacy page](#) has the full terms.
